

This handy little eBook will school you on some of the best ways to make it in Hollywood - whether you're a hardworking actor, writer or other creative... or you simply want to rub shoulders with the cool kids. Former publicist and television talent manager Lisa Jey Davis (also known for her bestselling memoir *Ms. Cheevious in Hollywood: My Zany Years Spent Working in Tinsel Town*) offers real, honest, applicable, foundational tips to help those interested in life in Tinsel Town. From the book: As with any "little guide," you should read and try to really absorb the info here, and disseminate it according to *your* goals, dreams and area of expertise. It should also be taken with a grain of salt, and maybe a swig of tequila. In the end, there is no sure-fire, hard and fast guarantee... But hey " if I was able to break into the business as a newly divorced, thirty-five year old single mom, with serious limitations to my availability and resources" well, guess what? YOU CAN TOO. These five ways to rocking the Hollywood life, are within reach for just about anyone... even if they don't live in or near Hollywood. After all... every town has a little Hollywood in it.
