

Get ready for a one-of-a-kind exploration in creative coloring, perfect for any age. These unique abstract images were created free hand by the artist Kendall Bohn. These pages are suitable for crayons, pastels, markers, pencils or paints. Lets bring out the artist in everyone! Let the adventure begin with the third in a series called "Abstract Adventure III". 26 of the 52 designs are what I call Clones. These Clones are slightly altered from the original drawings, forming another entirely unique perspective to the creative coloring experience. Come Like us on Facebook and share your results!
