Eighteen year old Lacey Hannigan always thought her human life was hard and unfair, but now that she is no longer human, her life is about to get a whole lot harder. Taken away from the man she loves to a remote mountain so that she can learn to adapt to her new life as a newbie werewolf, she is forced to accept changes that shes not ready for, both with her body and her heart. She soon learns that there is alot more to Jesse and Cole than what she thought. The more she learns about them, the more confused and hurt she becomes.
