

Is the closet just a metaphor? Closet Space provides a highly original account of the spatial metaphor of the closet, and is the first geography text to focus on this important issue. Using a variety of research techniques and materials, the book explores the closet through texts including: * the oral histories of gay men in the UK and US* the sexualised landscape of a New Zealand city* the national census of Britain and the US* international travel guides and travelogues and refers to the work of Butler, Lefebvre and Foucault.
