

Zushia Chase is a sexpert. She peddles her erotic wares at private parties—like plastic food storage containers, only better. During one gathering her hosts, the Radissons, find her demonstration particularly stimulating and ask her if she might like to stay. Sally Mae Radisson has a fondness for pretty young things that come toting a bag of sexy tricks. At another demonstration, she meets Mr. Winkler. A man with a penchant for soft material, flirty garments, and being dominated. He's very eager to please. Zushia Chase is a sexpert who never goes looking for her encounters, but somehow always manages to luck out in the end. **Suitable only for readers 18 years or older** *Stories originally appeared at Ruthies Club and also appeared in Lucky 13: Thirteen Tales of Getting Lucky
