

Running. Hiding. Surviving. Anchorage, once Alaska's largest city, has fallen. Now a threatening maze of death, the city is firmly in the cold grip of a growing zombie horde. Neil Jordan and Dr. Caldwell lead a small band of desperate survivors—including young Jules and Danny—through the hellish undead maelstrom. With their refuge compromised and behind them, Dr. Caldwell and the others place their faith and their lives squarely in Neil's hands.

With life and death hanging on every decision, Neil must face each new obstacle without breaking. And the group presses on toward their last hope: that this nightmare has been contained, and there still exists a sane world free of infection. But to reach it, they must survive and escape... Praise for Sean Schubert's INFECTION: "Infection is] a fun, fast-paced tale of zombie mayhem that barely gives you time to breathe, and zombie fans who crave plenty of gore and undead action should enjoy it."--Patrick D'Orazio, author of Comes the Dark "Infection] will have even the most skeptical, critical zombie fan coming back for more. I can't wait for the next installment!"--Ursula K. Raphael, The Zombiephiles "I found Infection to be a very entertaining read and look forward to the next book in the series."--BuyZombie.com BOOK ONE is available here: <http://amazon.com/dp/B0072Z5F24/>
