

WHERE THE ADVENTURE BEGAN...CAPTAINS LOG, STARDATE 41254.7: The U.S.S. Enterprise is en route to Cygnus IV -- the edge of the known galaxy. There, we will rendezvous with the ship's new first officer and the other command personnel and proceed with our mission: discover the truth about Farpoint Station, a starbase facility built by the inhabitants of Cygnus IV, a starbase of unparalleled size and complexity...and infinite mystery. And the success or failure of this, our first mission together, may well determine the course of human exploration across the galaxy for centuries to come...

(A quick aside: the first season of Star Trek: The Next Generation is a bumpy, bumpy ride. When a show runs as long as this one, and when it.

Episode Clues. In his Captain's Log, Jean-Luc Picard describes the ship as being en route to the planet Deneb Four, beyond which lies the great unexplored mass of the galaxy. This suggests that Farpoint station is at the edge of known space, at least as far as the Federation is concerned. 14 Sep - 3 min - Uploaded by TrekCore Full extended trailer introducing STAR TREK THE NEXT GENERATION to the screening of. 5 Jul - 7 min - Uploaded by TrekCore This video series compares the DVD release of Star Trek: The Next Generation with.
