

Thirteen of Plato's most well-known dialogues are included in the collection *Essential Dialogues of Plato*. Plato was a learned student of the early philosopher Socrates. Because Socrates did not write any works before his untimely death, Plato took Socrates' beliefs and expressed them through imagined dialogues between the philosopher and his students. It was the first time in Western history that a philosophical dialectic between the teacher and student was developed. In the dialogues, Socrates and a student discuss multiple aspects of life through a similar structure. The student, in his ignorance, makes a wide, generalized statement, and Socrates then questions their thought processes. While Socrates was not trying to push his students into thinking a certain way, he wanted his students to discover their own truths through rational thinking and questioning the world. Plato showed this poignantly in his dialogues, which preserved his teacher's legacy while solidifying Plato himself as one of the most unique literary minds in early Western civilization. Plato not only fleshes out the characters and creates narrative story arcs in his dialogues, but he even injects humor and wit into his works. Some of the works included in this text are *Ion*, *Gorgias*, *Phaedrus*, *Crito*, and *Laws*. *Essential Dialogues of Plato* is a must-read for any serious student of philosophy as well as those with an interest in Western values and beliefs.

Beginner Forex Traders Money Making Guidebook: How to make Unlimited Money right away as a Beginner, Hong Kong's Colonial Legacy: A Hong Kong Chinese View of the British Heritage, Far from the Madding Crowd (Modern Library Classics), Remote Viewing: Invented Worlds in Recent Painting and Drawing, Between Man and Man (Routledge Classics), The Person: His And Her Development Throughout The Life Cycle, Revised Edition, SAMS Teach Yourself XML in 24 Hours,

Essential Dialogues of Plato [Plato, Benjamin Jowett, Pedro de Blas] on Amazon.com. *FREE* shipping on qualifying offers. *Essential Dialogues of Plato*, by Plato, is part of the Barnes & Noble Classics series, which offers quality editions at affordable prices to the student and the general reader. Plato explores these issues through a series of dialogues, records of supposed conversations between Socrates and other Greek aristocrats. Although Socrates' dialogues are some of the most important in Western literature, to be honest though I haven't a clue of where to begin with Plato; should I read everything, are some dialogues more essential, are some not.
