

Final Margin Calls is the sequel to Out of the Darkness Came a Hunter. Jim Sheridan is a successful attorney who is sliding into retirement just as the banking crisis is washing over the country. This financial tsunami was taking the retirement savings of a generation along with it. The legal system seemed unable or unwilling to bring to justice those who perpetrated and profited from the greatest financial scam in history. Suddenly wealthy investment bankers began to turn up dead. Someone it seemed had decided that letting bank robbers walk away with their loot wasn't acceptable under every circumstance. Jim Sheridan is contacted by his long ago military attorney and friend to help him find who is responsible for this epidemic of brutal murders.

Margin Call is a American drama film written and directed by J. C. Chandor in his feature .. This page was last edited on 26 November , at (UTC) . Text is available under the Creative Commons Attribution-ShareAlike License;

A margin call happens when you owe your broker money, and he'll sell your assets or ask you for immediate cash to pay down debt in your margin account.

A margin call occurs when a client with a commodity trading account lacks sufficient fund to cover the required margin to hold an existing. A margin call is a brokerage firm's demand that a margin-account client deposit securities or cash into their account in order to bring the account balance up to.
