

Cairo Carter is a twenty three year old hustler, the man behind one of the most well-known cartels in Greenville, North Carolina. Cairo was loving the life and advantages of being a hustler, but with his father passing in 2001 due to a dangerous turf war, everything changed. Now, Cairo is on a mission; take down those responsible for killing his father! Along the way, Cairo is intrigued by Maria. She is the one woman who could possibly mean more to him than anything in the streets. Can Maria truly make Cairo a prisoner of love, and have him handcuffed to her heart, or will the street life be too powerful to overcome?
