

The world we live in today can be a very dangerous place and its up to each of us to ensure the safety and protection of our home and family! Home Invasion 911 - Best Home Defense Guide gives you eight solid steps to help increase your overall home security to avoid becoming a violent home invasion crime victim. Your home is your castle - a place you retreat to without the fear of outside intruders. Yet, there are ruthless, hard core criminals looking for that weak link in your home security so they can easily invade your property, steal your belongings and hurt, maim, or murder you and your family. This book discusses ways to increase your awareness about violent home invasion and home burglary crimes, develop best home defense strategies and learn why its important to have a comprehensive home defense plan of action to quickly react and respond to a violent intrusion in ways that could save your life and those you love. Dont wait for a violent home invasion to happen - BE PROACTIVE AND TAKE ACTION NOW!
