

“I want to rip out every page of this glorious book and hang them on my wall so that I can be surrounded by these incredible women all day long.” Emma Straub, *New York Times* bestselling author of *The Vacationers* and *Modern Lovers Across the globe*, women are embracing the entrepreneurial spirit and starting creative businesses. In the *Company of Women* profiles over 100 of these influential and creative women from all ages, races, backgrounds, and industries. Chock-full of practical, inspirational advice for those looking to forge their own paths, these interviews detail the keys to success (for example, going with your gut; maintaining meaningful and lasting relationships), highlight the importance of everyday rituals (meditating; creating a daily to-do list), and dispense advice for the next generation of women entrepreneurs and makers (stay true to what you believe in; have patience). The book is rounded out with hundreds of lush, original photographs of the women in their work spaces.
