

Step inside for an earth shattering expedition! An urgent phone call comes in, its Doctor Ludmila Popplecracker, the famous volcanologist! Drill down to the centre of the Earth to determine whether the supervolcano is about to erupt. Its a dangerous mission but youre being depended on to collect vital information! Readers must use their problem-solving skills and geographical knowledge to navigate through four thrilling adventures. Geography Quest follows the popular Science and Rubiks Quest series. Questions are carefully chosen to address core geography subjects for the age group. Finding the answers enables readers to advance through the story, learning more about geography with every step they take. Clues are dotted along the way, and wrong turns will direct readers towards the right answer! A glossary explains geographical words and provides added reference material.
