

After her boyfriend left her high and dry carrying his childâ€™to marry the other womanâ€™nothing hurt more than her own father turning his back. Now guarded, Myah Blake put herself on a permanent man-hiatus. Protecting her heart, and that of her two-year-old son, comes first. One thing Keir Treasure doesnt understand is why he alone survived a fatal car crash. The resulting fear of large vehicles, and the constant headaches his doctor insists arent there, leave him wondering if his business of operating an auto garage has finally come to an end. When two lonely lives cross paths, they question if they can make it work. But Keirâ€™s gentle yet firm ways speak to her jilted heart, and Myahâ€™s touch somehow quietens the turmoil in his head. Can falling for someone be so simple when past pains throw a wrench into the mix? Only God knows, but thatâ€™s the question of what happens with Keir and Myah. (This is a Christian romance) Made the #1 Bestseller in Contemporary Christian Romance.
