

This is Part 1 of Love All Out - a five part Hot New Adult Stepbrother Romance Series by Alice Ward. I'd wanted James Parker for as long as I could remember. I'd admired him since forever, but I wasn't the only one. He made his way through the beds of every woman in our small town - every woman but me, that is. Years passed without sight of James until the night my dad took me to watch him ride in a rodeo. As I watched him conquer a bucking bull, all I could think about was having him ride me the same way. Daddy offered James a job on our family's ranch, which gave me the perfect opportunity to realize my deepest desires. But James was as cocky as he was hot, and I soon realized that taming him could prove to be impossible. This book is intended for a mature audience, 18+ only.
