

[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/M/F, HEA] When Sparrow Martin dreams about President Morgan Wilde, she thinks shes going crazy. Ordinary people like her dont bond with the president, right? But when she dreams about a second man along with Morgan, she knows she needs to find her bond-mates or risk losing her mind. Morgan knows hes bonding, but he has no idea what to do about it. One of the people hes dreaming about is a man whose face he cant even see. As president, his responsibility is to his country, not his own desires. Of course, when Sparrow shows up during a White House tour, he discovers dreams cant be denied. Justin Boyd is working on a secret project, and he doesnt have time to figure out whats wrong with him. Hes been sleeping badly for months, but he doesnt have any of the signs of bonding: no wrist tattoos, no headaches. So why do two people haunt his dreams, night after night? ** A Siren Erotic Romance
