

Martha can't believe that Helen and Alice are making such a fuss about the new kitten in the neighborhood. Everyone knows that cats, even kittens, are not to be tolerated. But when the sweet and gentle kitty starts making googly eyes at Martha and following her around, will our favorite communicating canine learn to be more accepting? This funny and thoughtful story teaches kids the importance of looking beyond the surface when choosing and making friends. Includes fun word search activity and glossary of terms.
