

The successful and hunky playboy Mitch Hamilton practices law at one of the most prestigious law firms in the country. He only does casual when it comes to the bevy of women in his life. He has no need or desire for a real relationship with a woman. Not until the smart and sexy law associate Christy Carlisle comes into the picture. They are forced to work long hours together, forced to travel together, and forced to share one sizzling slow dance that ignites a fire between them that is impossible to put out. Their sexy slow dance leaves Christy wanton for more, but she knows if she opens the door to passion with Mitch, heartache will undoubtedly follow close behind. She is fighting against these forces that are pulling them together and he swears he will never touch her again. She will have to beg! Mitch's persistence and hard body are impossible to resist and Christy finally surrenders to her insatiable urge to have him until her ex wants her back in his arms. Will Christy be able to reconcile her feelings and learn to follow her heart and trust Mitch or will she risk losing her chance at real love with the man that makes her heart race and leaves her mind and body satisfied?
