

Once upon a time, two young lovers vowed to reuniteâ€¦ Celestial Seductions, Book 1 After a bitter divorce, Isabel Asher returns to Isla de Margarita to find the only man sheâ€™s ever truly loved. Twelve years ago, on her eighteenth birthday, they made a pact to meetâ€¦if they both were free. Now she waits, wondering if Rafael Cruz will be her every fantasy come to lifeâ€¦or just a foolish dream. Rafael never forgot their summer of love all those years ago. Since then, no other woman has measured up to the memory of Isabel in his arms. Their chemistry is still stunning, the sex is sizzling. The power of their memories is overwhelming. Yet itâ€™s too soon to tell if she wants to be with him as much as he wants her. As her time on the island grows short, their sensual play heats up, and includes a night with Rafaelâ€™s best friend. But they must decide if their passionate reunion is simply a celebration of the pastâ€¦or a new beginning for lasting love. This book has been previously published and has been revised and expanded from its original release.
