

From New York Times, USA Today, and Wall Street Journal bestselling author Rachel Van Dyken. Reid Emory has never had reason to question his luck with the ladies. As the owner of a lethal set of aqua-blue eyes and a devastating grin, this Hollywood heartthrob always brings his A game...but lately his luck seems to have run out. The actor is in need of some help, and there's only one person he can trust to take his love life - and his career - to an explosive new level. Jordan Litwright's newest client is trying her patience. As a publicist, she's more than content to stay in the background and let others shine. But when a publicity stunt backfires, she suddenly finds herself thrust into the spotlight - as Reid's new love interest. And while other men usually overlook her, Reid is focusing in with laserlike intensity. There's no denying they have serious chemistry. But once Reid breaks into the big time, can they turn their made-for-the-media romance into a forever love?
