

Bundle of four bestselling adventure novels by J.R. Rain, including: **THE LOST ARK** In a lonely bar in eastern Turkey, ex-National Geographic photojournalist Sam Ward is hired to find an eccentric professor who disappeared high atop Mount Ararat, fabled resting spot of Noah's Ark. Accompanied by the professor's beautiful daughter, archaeologist Faye Roberts, Sam soon stumbles upon a secret stronghold—a base of operation for unleashing hell on earth. Now running for their lives, Sam and company are about to come face-to-face with the greatest archaeological discovery of all time.... **JUDAS SILVER** Someone is stealing the cursed thirty coins paid to betray Christ... Disturbed by these events, the Vatican hires our hero, antiquities thief, Trey Jordan. Trey's mission is simple: find the coins first. And to combat the dark power contained within the cursed coins, Trey will be entrusted with a powerful weapon of his own, a weapon hidden deep within the Vatican's secret vaults. As the adventure begins, he will team up with a past lover, the beautiful numismatist Eve Roberts, a coin collector herself and owner of one of the cursed Judas Coins. Their search begins with a famous sunken ship and will lead to a bizarre castle located in the middle of a Scottish loch. And waiting at every turn is the mysterious Draken, whose dark power multiplies with the acquisition of each new coin. In the end, when a seemingly victorious Draken brings together all thirty coins, when the Gates of Hell have been thrown wide open and the world has been plunged into darkness and chaos, a desperate Trey Jordan will unleash the ferocious power of the legendary Fourth Nail. **LOST EDEN** Jack Rome, working at the Swiss Embassy in Tehran, is approached by a young woman with a very unusual story, a story that reaches back through the ages. The woman also looks frustratingly familiar, and as Jack realizes just who she is, he finds himself thrown into a world of spies, hunters, lost history... and a search for something beyond his wildest imagination. Now the race is on to find the true Garden of Eden—as one ruthless Russian billionaire, dying of a rare disease, will stop at nothing to find the Tree of Life and its alleged healing oils. **THE SECRET OF THE SPHINX** An ancient treasure map. A baffling riddle. A secret room beneath the Great Sphinx. As archaeologist Tom McCroy and his nephew, Lorton, prepare to map a recently-discovered passageway that leads beneath the famous stone statue, little do they realize the danger that awaits. Hidden within the ancient catacombs is something incredible...and something terrible. Now with time running out, will the legendary Sphinx give up its greatest secret... and will Lorton and Tom survive long enough to find it?
