

This version of Pilgrims Progress is a rare 1917 edition, complete with a biographical sketch of Paul Bunyan and other notes. The Pilgrims Progress from This World to That Which Is to Come is a Christian allegory written by John Bunyan and published in February, 1678. It is regarded as one of the most significant works of religious English literature, has been translated into more than 200 languages, and has never been out of print. Bunyan began his work while in the Bedfordshire county gaol for violations of the Conventicle Act, which prohibited the holding of religious services outside the auspices of the established Church of England. Early Bunyan scholars like John Brown believed The Pilgrims Progress was begun in Bunyans second shorter imprisonment for six months in 1675, but more recent scholars like Roger Sharrock believe that it was begun during Bunyans initial, more lengthy imprisonment from 1660â€“72, right after he had written his spiritual autobiography, Grace Abounding to the Chief of Sinners. The allegory of this book has antecedents in a large number of Christian devotional works that speak of the souls path to Heaven, from the Lyke-Wake Dirge forward. Bunyans allegory stands out above his predecessors because of his simple and effective prose style, steeped in Biblical texts and cadences. Christian, an everyman character, is the protagonist of the allegory, which centres itself in his journey from his hometown, the City of Destruction (this world), to the Celestial City (that which is to come: Heaven) atop Mt. Zion. Christian is weighed down by a great burden, the knowledge of his sin, which he believed came from his reading the book in his hand, (the Bible). This burden, which would cause him to sink into Tophet (hell), is so unbearable that Christian must seek deliverance. He meets Evangelist as he is walking out in the fields, who directs him to the Wicket Gate for deliverance. Since Christian cannot see the Wicket Gate in the distance, Evangelist directs him to go to a shining light, which Christian thinks he sees. Christian leaves his home, his wife, and children to save himself: he cannot persuade them to accompany him. Obstinate and Pliable go after Christian to bring him back, but Christian refuses. Obstinate returns disgusted, but Pliable is persuaded to go with Christian, hoping to take advantage of the paradise that Christian claims lies at the end of his journey.
