

Fugitives from Startech, Jade and Aric follow their map to Dieter Copeland's™ house in the backwoods of Rutherford. While in hiding, Dieter teaches them how to connect with their alien metal. But their teacher is keeping his own deep, dark secret—a secret that could affect both their lives. Aric and Jade grow closer, falling more in love, but being on the run has its drawbacks. When it becomes apparent that Startech will stop at nothing to recover their technology, the pair comes face to face with imminent danger, their fears and the truth behind the company that threatens their existence. Ultimately, as Jade and Aric fight for their lives, they discover there is only one place they can go...
