

1001 Dark Nights is a collection of breathtakingly sexy and magically romantic novellas inspired by the exotic tales of The Arabian Nights. In the original, Scheherazade desperately attempts to entertain her husband, the King of Persia, with nightly stories so that he will postpone her execution. In our versions, each of our fabulous authors puts a unique spin on the premise and creates a tale that a new Scheherazade tells long into the dark, dark night. Emily Blaine's life is about to change. Arthur Benoit, the kindly multi-millionaire who has acted as her surrogate father for years, has just told her he's leaving her his entire estate, and he only has a few months to live. Soon Emily will go from being a restaurant manager with a useless English degree to one of the richest and most powerful women in New Orleans. There's just one price. Arthur has written a letter to his estranged son Ryan he hopes will mend the rift between them, and he wants Emily to deliver the letter before it's too late. But finding Ryan won't be easy. He's been missing for years. He was recently linked to a mysterious organization called The Desire Exchange. But is The Desire Exchange just an urban legend? Or are the rumors true? Is it truly a secret club where the wealthy can live out their most private fantasies? It's a task Emily can't undertake alone. But there's only one man qualified to help her, her gorgeous and confident best friend, Jonathan Claiborne. She's suspected Jonathan of working as a high-priced escort for months now, and she's willing to bet that Jonathan has uncovered some possible leads to The Desire Exchange and to Ryan Benoit. But Emily's attempt to uncover Jonathan's secret life lands the two of them in hot water. Literally. In order to escape the clutches of one of Jonathan's most powerful and dangerous clients, they must act on long buried desires for each other. When Emily's mission turns into an undercover operation, Jonathan insists on going with her. He also insists they continue to explore their impossible, reckless passion for each other. Enter Marcus Dylan, the hard-charging ex-Navy SEAL Arthur has hired to keep Emily safe. But Marcus has ulterior motives for taking the job; he, too, has a burning passion for Emily, and he turns out to be as rough and controlling as Jonathan is sensual and reckless. As Emily searches for a place where the rich turn their fantasies into reality, she will also be forced to decide which one of her own long-ignored fantasies should become her reality. But as Emily, Jonathan, and Marcus draw closer to The Desire Exchange itself, they find their destination isn't just shrouded in mystery, but in magic as well.
