

Wheis Tone has a good tale to tell, he should try to be brief, and not say more than he can help ere he makes a fair start; so I shall not say a word of what took place on board the ship till we had been six days in a storm. The barque had gone far out of her true course, and no one on board knew where we were. The masts lay in splints on the deck, a leak in the side of the ship let more in than the crew could pump out, and each one felt that erelong he would find a grave in the deep sea, which sent its spray from side to side of what was now but a mere hulk. Come, boys, said I to my four sons, who were with me, God can save us if it please him so to do ;but, if this is to be our last hour, let us bow to his will we shall at least go down side by side. My dear wife could not hide the tears that fell down her cheeks as I thus spoke to my sons, but she was calm, and knelt down to pray, while the boys clung round her as if they thought she could help them.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
