

Since the beginning of their relationship Thug and Tahari Kenneth have been the modern day Bonnie and Clyde. They've laid out the Blueprint in which most Hood couples aspire to follow.

During the course of their many years together they managed to beat all obstacles and annihilate all enemies that trespassed against them. Thug and Tahari thrive off of their legendary street status as the King and Queen of Thug Inc. and Boss Lady Inc. Their camps have become the very thing they base their life off of but that's the problem their love has taken a back seat to the street status. The street life has a way of sucking you in to the point where you forget about the thing that's most important to you and that's family. The Kenneth family as a whole is about to embark on an epic journey of love and self-discovery. They have been through it all and of course they still have more family drama and secrets to unfold. Only this time they get to the root of the problem. Follow the Family you fell in love with in this Finale to the Thug Passion Saga as they find out if they will meet their demise or live happily ever after in Thugs Mansion!!!!
