

A WARRIOR FIGHTING HER FATE Paige Reilley is ready for combat, with the evil Amara, their army of demons, and above all ... the unwanted love her coven's prophecy has planned for her. As former military, she's no stranger to war, but the arrival of a new man in her life brings a much greater threat than potential romance. **A MAN WHO BRINGS HER TRUTH** Chris Decker was recently discharged from the Ranger Battalion stationed near Savannah. Once he spotted Paige, however, he had a brand new mission. She's the one woman he's searched for most of his life, but the news he carries is sure to destroy her. **A DESTINY THAT WILL FOOL THEM BOTH** Facing confrontation on all sides, Paige and Chris agree to become allies and deliver justice to those most deserving. Neither gives a second thought to the attraction growing between them, but fighting against love may be their fiercest battle yet.
