

LITTLE BETTER THAN A BEAST STARTS NOW! The most critically acclaimed series of the year continues. The Avengers know. They know his wife killed the Reaper and the boy. They know Vision lied to protect her. They know that those lies will lead to more lies, those deaths will lead to more deaths. And they know they need to act, they need to find a way to prove that he has done what he has done so the Avengers can do what they have to do--finally and forever dismantle the Vision and his family.
